### LIQUIDATOR'S REPORT

The Liquidator present his report and the audited financial statements for period ended 31 October 2018.

### Principal activity

The Company has been incorporated to act as a holding company.

### Review of the business

Havells International Limited (the "Company") is registered in Malta as a limited liability company under the Companies Act, Cap. 386 of the Laws of Malta. The company is no longer considered to be a going concern since the directors decided to proceed with the voluntary liquidation of the company on 31 October 2018 and therefore, these financial statements have been prepared on a break-up basis.

### Results and dividends

The statement of comprehensive income is set out on page 7. During the period, the Company made a loss of  $\in 3,360,128$  (year ended 31 March 2018: loss of  $\in 8,270,370$ ). The Company did not declare any dividends during the period (year ended 31 March 2018: nil).

### Principal risk

There are no material risks faced by the Company except as disclosed in note 12 to the financial statements 'Financial Risk Management Policies'.

### Directors

The directors of the Company who held office during the year are set out on page 1. There term of office came to an end on the appointment of the liquidator on 31 October 2018.

### Auditor

The appointment Ernst & Young Malta Limited as auditor terminates with the signing of the accounts covering the period until the date of liquidation. Ernst & Young Malta Limited shall then not remain in office as the company has been put into liquidation and the Companies Act (Cap. 386) require a different auditor to audit the liquidation accounts.

### Statement of liquidator' responsibilities

The liquidator is required by the Companies Act (Cap. 386) to prepare financial statements in accordance with International Financial Reporting Standards as adopted by the EU, which give a true and fair view of the state of affairs of the company at the end of each financial year and of the profit or loss of the company for the year then ended. In preparing the financial statements, the liquidator should:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable;
- Prepare the financial statements on a going concern basis, unless it is inappropriate to presume that the company will continue in business as a going concern;
- Account for income and charges relating to the accounting period on the accruals basis;
- Value separately the components of asset and liability items; and
- Report comparative figures corresponding to those of the preceding accounting period.

### LIQUIDATOR' REPORT - continued

### Statement of liquidator's responsibilities - continued

The liquidator is responsible for ensuring that proper accounting records are kept which disclose with reasonable accuracy at any time the financial position of the company and which enable the liquidator to ensure that the financial statements comply with the Companies Act (Cap. 386). This responsibility includes designing, implementing and maintaining such internal control as the liquidator determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The liquidator is also responsible for safeguarding the assets of the company, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### INDEPENDENT AUDITOR'S REPORT

to the Shareholder of Havells International Limited

### Report on the audit of the financial statements

### **Opinion**

We have audited the financial statements of Havells International Limited ('the Company'), set out on pages 7 to 17, which comprise the statement of financial position as at 31 October 2018, and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the period from 1 April 2018 to 31 October 2018, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 October 2018, and of its financial performance and its cash flows for the period from 1 April 2018 to 31 October 2018 in accordance with International Financial Reporting Standards as adopted by the EU ("IFRS") and the Companies Act, Cap. 386 of the Laws of Malta (the "Companies Act").

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in accordance with the *Accountancy Profession (Code of Ethics for Warrant Holders) Directive issued in terms of the Accountancy Profession Act, Cap. 281 of the Laws of Malta, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.* 

### **Emphasis of Matter**

Without qualifying our opinion, we draw attention to note 2.1 to the financial statements which states that the financial statements have been prepared on a break-up basis since the directors decided to proceed with the voluntary liquidation of the Company on 31 October 2018.

### **Other Information**

The liquidator is responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon other than our reporting on other legal and regulatory requirements.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### INDEPENDENT AUDITOR'S REPORT

to the Shareholder of Havells International Limited - continued

### Responsibilities of the liquidator for the financial statements

The liquidator is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS and the requirements of the Companies Act, and for such internal control as the liquidator determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the liquidator.
- conclude on the appropriateness of liquidator's use of the going concern basis of accounting. When such use is inappropriate and the liquidator use an alternative basis of accounting, we conclude on the appropriateness of liquidator's use of the alternative basis of accounting. We also evaluate the adequacy of the disclosures describing the alternative basis of accounting and reasons for its use. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.

We communicate with the liquidator regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### INDEPENDENT AUDITOR'S REPORT

to the Shareholder of Havells International Limited - continued

### Report on other legal and regulatory requirements

Matters on which we are required to report by the Companies Act

We are required to express an opinion as to whether the liquidator's report has been prepared in accordance with the applicable legal requirements. In our opinion the liquidator's report has been prepared in accordance with the Companies Act.

In addition, in the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we are required to report if we have identified material misstatements in the liquidator's report. We have nothing to report in this regard.

We also have responsibilities under the Companies Act to report to you if in our opinion:

- proper accounting records have not been kept;
- the financial statements are not in agreement with the accounting records;
- we have not received all the information and explanations we require for our audit.

We have nothing to report to you in respect of these responsibilities.

### NOTES TO THE FINANCIAL STATEMENTS

### 1 CORPORATE INFORMATION

Havells International Limited (the "Company") is a limited liability company and was incorporated in Malta on 23 December 2015 under Companies Act, Cap. 386 of the Laws of Malta.

### 2 BASIS OF PREPARATION AND CHANGES IN COMPANY'S ACCOUNTING POLICIES

### 2.1 Basis of preparation

The company is no longer considered to be a going concern since the Company was placed into voluntary liquidation on 31 October 2018. These financial statements have been therefore prepared on a break-up basis. The carrying value of assets represents their estimated realisable amounts; all assets per the balance sheet are classified as current and all liabilities classified as current liabilities. These financial statements are in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union and comply with the Companies Act, Cap. 386 of the Laws of Malta.

These financial statements present information about the Company as an individual undertaking and not about the Group of which the Company is the parent. The company has availed itself of the exemption set out in section 174 of the Companies Act, Cap. 386 of the Laws of Malta and accordingly consolidated financial statements covering the company and its subsidiary have not been drawn up. The ultimate parent of Havells International Limited (as disclosed in the Note 13) prepares consolidated financial statements in a manner alike equivalent to the required by the Maltese Companies Act, 1955 and are to be delivered to the Registrar of the Companies in Malta.

### Functional and presentation currency

The Company's functional currency is the  $\epsilon$ , which is the currency of the share capital of the Company. The Company's performance is evaluated and its liquidity is managed in  $\epsilon$ . Therefore, the  $\epsilon$  is considered as the currency that most faithfully represents the economic effects of the underlying transactions, events and conditions. The Company's presentation currency is also the  $\epsilon$ . The financial statements are presented in  $\epsilon$ .

### 2.2 Changes in accounting policies

Standards, interpretations and amendments to published standards as adopted by the EU which are effective in the current year.

- Amendments to IAS 40: Transfer of Investment Property (effective for financial year beginning on or after 1 January 2018)
- Amendments to IFRS 2: Classification and Measurement of Share-based Payment Transactions (effective for financial year beginning on or after 1 January 2018)
- Amendments to IFRS 4: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts (effective for financial year beginning on or after 1 January 2018)
- Clarifications to IFRS 15 Revenue from Contracts with Customers (effective for financial year beginning on or after 1 January 2018)
- IFRS 9 Financial Instruments (effective for financial year beginning on or after 1 January 2018)
- IFRS 15 Revenue from Contracts with Customers including amendments to IFRS 15: Effective date of IFRS 15 (effective for financial year beginning on or after 1 January 2018)
- IFRIC 22 Foreign Currency Transactions and Advance Consideration (effective for financial year beginning on or after 1 January 2018)

The adoption of these standards did not have significant impact on the financial statements or performance of the company.

### 2 BASIS OF PREPARATION AND CHANGES IN COMPANY'S ACCOUNTING POLICIES - continued

### 2.2 Changes in accounting policies – continued

Standards, interpretations and amendments to published standards as adopted by the EU which are not yet effective

Up to date of approval of these financial statements, certain new standards, amendments and interpretations to existing standards have been published but which are not yet effective for the current reporting year and which the Company has not early adopted. The new and amended standards follow:

- IFRS 16 Leases (effective for financial year beginning on or after 1 January 2019)
- Amendments to IFRS 9: Prepayment Features with Negative Compensation (effective for financial year beginning on or after 1 January 2019)
- IFRIC 23 Uncertainty over Income Tax treatments ((effective for financial year beginning on or after 1 January 2019)

### Standards, interpretations and amendments that are not yet endorsed by the EU

- IFRS 17 Insurance Contracts (effective for financial year beginning on or after 1 January 2021)
- Amendments to IAS 28: Long-term Interests in Associates and Joint Ventures (effective for financial year beginning on or after 1 January 2019)
- Annual Improvements to IFRS Standards 2015-2017 Cycle (effective for financial year beginning on or after 1 January 2019)
- Amendments to IAS 19: Plan Amendment, Curtailment or Settlement (effective for financial year beginning on or after 1 January 2019)
- Amendments to References to the Conceptual Framework in IFRS Standards (effective for financial year beginning on or after 1 January 2020)
- Amendments to IFRS 3 Business Combinations (effective for financial year beginning on or after 1 January 2020)
- Amendments to IAS 1 and IAS 8L Definition of Material (effective for financial year beginning on or after 1 January 2020)

### 2.3 Summary of the significant accounting policies

### Investments in subsidiaries

Investments in subsidiaries are accounted for by the cost method of accounting i.e. cost less impairment. Provisions are recorded where, in the opinion of the directors, there is an impairment in value. Where there has been an impairment in the value of an investment, it is recognised as an expense in the period in which the diminution is identified.

On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to profit or loss.

### Cash and cash equivalents

Cash and cash equivalents consist of balances with banks. Cash at banks are carried at face value.

For the purpose of the cash flow statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts, if any.

### 2.3 Summary of the significant accounting policies - continued

### Other payables

Liabilities for other payables are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Company. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method.

Liabilities for other payables are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Company. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method.

### Taxes

Current income tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the reporting date.

### Foreign currency transactions

Transactions in foreign currencies have been converted into  $\mathfrak{E}$  at the rates of exchange ruling on the date of the transaction. Monetary assets and liabilities denominated in foreign currencies have been translated into  $\mathfrak{E}$  at the rates of exchange ruling at the reporting date. All resulting differences are taken to the statement of comprehensive income.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

### Related parties

The term related party refers to any related party as defined in IAS 24 Related party disclosures.

### Expenses

Expenses are generally recognised on an accrual basis. These are incurred in the direction and general administration of day-to-day operation of the Company.

### 2.4 Significant Accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In the opinion of the liquidator, the accounting estimates and judgements made in the course of preparing these financial statements are not difficult, subjective or complex to a degree which would warrant their description as critical in terms of the requirements of IAS 1 (revised) - 'Presentation of financial statements'.

During the year, Thai Lighting Asset Co Ltd has been dissolved and closed down. There are no further investments in subsidiaries by Havells International Limited as on balance sheet date.

During the year ended  $31^{st}$  March 2018 the investment in Sylvania Brasil Iluminacao Ltda. was also sold. This resulted to a loss of  $\epsilon$ 10.9 million. As part of the agreement, Havells International Limited was liable to pay the former's intercompany payables. However, this debt was assigned by Havells International Limited to Havells Holdings Limited amounting to  $\epsilon$ 2.8 million.

### 6 CASH AND CASH EQUIVALENTS

For the purposes of the statement of cash flows, cash and cash equivalents are comprised of the following:

		as at 31 October 2018 €	as at 31 March 2018 €

During the year, the sole shareholder of the Company increased the issued share capital by 3,160,000 ordinary shares, each having a nominal value of  $\in 1.00$  each. Thus, share capital at year-end amounts to  $\in 21,281,800$ .

### **Accumulated losses**

The balance represents accumulated losses of the company carried forward.

### 10. OTHER INCOME

Other income earned during the period ended 31 October 2018 refers to the proceeds from excess assets liquidated / bank balance left post liquidation of Thai Lighting Assets Co. Ltd. (Note 6)

During the previous year Havells International Limited and Thai Lighting Assets Company Limited sold its investment held in Havells Sylvania (Thailand) Limited at an agreed price of  $\epsilon$ 1.6 million. Thai Lighting Assets Company Limited, waived its right to receive the proceeds of the sale. Thus, Havells International Limited, recognised gain on waiver amounting to  $\epsilon$ 816k. A debt assignment was also assigned by Havells International Limited to Havells Holdings Limited amounting to  $\epsilon$ 2.8 million.
