Havells India launches ‘Sanitation Sensitization Workshop’ across 250 Schools in Alwar

Alwar, February 2, 2017: Hon’ble DM, Shri Muktanand Agarwal today launched ‘Havells Sanitation Sensitization Workshop’ across 250 schools in Alwar district with an aim to inculcate good personal hygiene habits amongst children and facilitate access to clean and safe sanitation facilities. Also this would improve overall health of children. The workshop is being organized by Havells India Limited, India’s leading Fast Moving Electrical Goods Company.

Over the next few months, the company would organize this workshop for students of class 1-12, across 250 government schools where it has already built eco-friendly bio-toilets. Havells India has so far built over 1200 toilets in 150 schools in the district. The Hon’ble DM along with senior company officials also unveiled books, specially created for conducting this workshop. The workshop will include live demonstrations; training, fun filled activities, painting competitions and rhymes for children to learn and understand the importance of hygiene and steps needed to improve this.

Speaking on the occasion, Hon’ble DM, Shri Muktanand Agarwal, said, “I would like to thank Havells India for such a commendable initiative which is aimed at creating awareness towards proper sanitation habits amongst underprivileged students in the district. I am sanguine that this five month long workshop will be helpful not only in infusing good sanitation and hygienic habits in students but also making them responsible to keep their environment clean and safe”.

Speaking on the occasion, Mr. Anil Sharma, Head Corporate Communications, CSR and Sustainability, Havells India Limited said, “We have been doing CSR in Alwar for last 11 years and have recently started building eco-friendly bio toilets for children in schools where we are serving mid-day meal. However, we realize that the usage, cleanliness and maintenance of these toilets continue to be a major concern. With this aim we are conducting the workshop and hope that children will greatly benefit from our actions and develop good habits in their formative years”.

He further added, “Havells has always been at the forefront of spearheading activities which are aimed at enriching the quality of life and fostering holistic development of the Children. With this initiative, we wish to reinforce personal hygiene and environmental sanitation which will help students develop good habits in their formative years”.
